The Joy and Luxury of Giving

TIME
Talents
TREASURE

“Just as you excel in everything — in faith, in speech, in knowledge, in complete sincerity and in your love for us — see that you also excel in this grace of giving.”

Dr. F.W. Meyer once commented on this verse, saying, “Probably there is no greater test of our true religion than our behavior in

giving. How few, comparatively, give in proportion to their income!

How few give systematically!

How few have learned the joy and luxury of giving, so that they abound therein!”

The joy and luxury of giving!

We can well understand the joy of giving. Even a child’s heart is brightened by seeing the joy his gift brings to another. But the luxury of giving? The Lord not only provides our needs; He gives us enough to share with others from the overflow.

Just as God gives us faith to trust Him more, just as He gives us speech to share His message, just as He gives us knowledge to understand His Word; so He also gives us enough to support His work. In the next chapter, Paul wrote, “You will be made rich in every way so that you can be generous on every occasion” (II Corinthians 9:11)

The grace of liberality is as much a gift of God as faith, or utterance, or knowledge, or love.

Men's Golf Day

The Highland Men are hosting the annual golf tournament this year at Cypress Lakes Country Club, on Tuesday, May 18, 2010. This is a major fundraising effort for missions and the proceeds go to help with various ministry trips planned throughout the year. The goal of this year’s tournament is \$20,000.00. Every member of the Highland Presbyterian Family can help in this effort by doing a few things:

1. Become a hole sponsor for \$100.00. Your name or the name of your business will appear at one of the tee boxes on the golf course. To make your donation and sponsor a hole contact Karl Legatski, karll@celtechinc.net or Jim Konneker, skonneker@gmail.com.

2. Invite your friends or fellow business associates to sponsor a hole. They will get the same listing at one of the tee boxes on the course.

3. Plan to play. You can get your own foursome or simply sign up and pairings will be made (handicaps required.) To register to play contact Bob Matlack. Also if you would like to help on tournament day: passing out goodie bags and drinks on the course, manning a check in station, helping with registrations, mulligans, serving lunch, securing prizes contact Bob Matlack, BMATLACK@MATLACKSALES.COM.

Your Help Would Be Appreciated

Ann Watts has lost a sterling silver, diamond cluster waterfall ring. The last place it was known to be was in the church kitchen on Saturday, February 20th.

This ring is a keepsake of her grandmother’s and is very special to Ann. If anyone remembers seeing it or has an idea where it might be, please call Kelli Lujan at 485-2147 and she will contact Ann. Thank you for your help.

The flowers are placed in the Sanctuary today to the Glory of God and in loving memory of
Dr. Charles Speegle

A few lines my friends...

to let you know of a very exciting opportunity for us in the Highland Family beginning with a Purposeful and Missional Presbyterians Conference to be held April 21-23 at the Trinity Presbyterian Church in Satellite Beach, Florida. This conference modeled around the basic concepts of Rick Warren's **Purpose Driven Church** (worship, fellowship, discipleship, ministry, and mission) provides a way to do ministry in the 21st Century. At a meeting of the Communication Committee and the Membership and Volunteer Development Committees of the Session I had the opportunity to share about the conference and its potential for us at Highland. We have had a great response and a team of thirteen will attend the conference. I will be one of those in attendance and am quite excited about sharing this developing opportunity for growth and mission for our church with the whole family. The goal of the conference is:

to help leaders develop congregations that excel both in attracting seekers into the community of faith and send disciples to serve as missionaries in their own neighborhoods and communities.

What I find particularly exciting about this approach to ministry is that it presents an attractive and compelling way for every member to have a vital part in fulfilling the mission of the church in making disciples for Jesus Christ. Small groups and mission outreach enable this to happen. As you may remember several years ago our congregation engaged in group home studies of Rick Warren's book, The Purpose Driven Life, and it was very encouraging and helpful to all who could attend. This Conference expands that basic study on the Christian life to the Church as the body of Christ. As that body, we live in unprecedented times when the claims of the Gospel are so vital and promising and redemptive in a secular world that competes relentlessly for every ounce of one's time. Ours is a message that is life-changing and sustaining and this Conference will be the beginning of an effort to develop some models that will help us share the message to the current generation. Please pray for this effort. Please encourage the team. (Martha Spires, Jimmy Townsend, Mike Eagen, Steve Mathias, Cathy Blackwell, Georgeanna English, Avery Cameron, Scott Cameron, Dave Boliek, Ernie Johnson, Lauren Harper, Shields Harper, Greg Reames) As this ministry opportunity develops, plan to be open to the process and open to joining with others to do your part.

In the next couple of weeks I will be sharing the story of the Trinity Presbyterian Church, Satellite Beach, Florida. It's fascinating and inspiring. Special thanks to all who made this year's Scottish Heritage Sunday so memorable and a particular thanks to the "great cloud of witnesses" who continue to inspire us to be faithful in these times.

Look forward to being with you this Sunday.

Your pastor and friend,

P.S. - If you would like to make a contribution to help offset the cost of the above mentioned conference - - to Highland Presbyterian Church for a Purposeful and Missional Presbyterians Conference.

We celebrated Scottish Heritage Sunday in grand style this year. Bagpipe music on the front lawn, tartans representing many clans, and a delicious covered-dish lunch in the Fellowship Hall. We're glad so many were able to join us and hope to continue with this tradition for many years to come.
