Please think about the line-up of bridesmaids and ushers at the front of the Church. Do you want the bridesmaids on one side and the ushers on the other side, or would you like them alternated? Are there couples that you want to walk out together? Ordinarily, we line them up according to height – shortest to tallest. We'll do that unless you specify otherwise. We will talk about the line-up at the rehearsal.

Who will light the candles for your ceremony? You may assign a Groomsman/Usher or Candle Lighter or our Custodian will light the candles for you in advance.
